Session Program

1–3 Dec 2026

International Meeting on Theoretical and Experimental Chemistry: How to Design and Study New Compounds with Potential Application

Workshop 2: What Makes a Molecule a Drug? From Molecular Properties to Computational Drug Design - MSc. Chaitali Barman (University of Wrocław)

Wrocław, Poland, WEBINAR (ONLINE CONFERENCE, FREE OF CHARGE, time zone: CET, UTC+1)
ul. F. Joliot-Curie 14 50-383 Wrocław, Poland

Thursday 3 December

09:00

10:45

Workshop 2: What Makes a Molecule a Drug? From Molecular Properties to Computational Drug Design - MSc. Chaitali Barman (University of Wrocław)

Session |

Location: Wrocław, Poland, WEBINAR (ONLINE CONFERENCE, FREE OF CHARGE, time zone: CET, UTC+1), ul. F. Joliot-Curie 14 50-383 Wrocław, Poland
