

Session Program

1-3 Dec 2026

International Meeting on

Theoretical and Experimental Chemistry:

How to Design and Study
New Compounds with
Potential Application

International Meeting on Theoretical and Experimental Chemistry: How to Design and Study New Compounds with Potential Application

Workshop 1: Rethinking Drug Design: From Classical to New Approaches - workshop by Prof. Edgar Del Carpio (Central University of Venezuela; University of Wrocław)

Wrocław, Poland, WEBINAR (ONLINE CONFERENCE, FREE OF CHARGE, time zone: CET, UTC+1)
ul. F. Joliot-Curie 14 50-383 Wrocław, Poland

Wednesday 2 December

17:45

20:00

Workshop 1: Rethinking Drug Design: From Classical to New Approaches - workshop by Prof. Edgar Del Carpio (Central University of Venezuela; University of Wrocław)
